NEPAL TELECOM
Nepal Doorsanchar Company Limited

16.2.4 Bidder shall be ISO Certified as mentioned in Clause No. 3.1 of Section VIII.

16.2.5 The Bidder shall submit Satisfactory Performance certificate (SPC) in accordance with the Clause No. 28 of this section.

16.3 Bidder's Eligibility

16.3.1 Bidder shall not be under a declaration of ineligibility for corrupt and fraudulent practices issued by Government of Nepal. The Bidder and Manufacturer who are black listed or are under the process of being black listed shall not be eligible to participate this bidding process. The bid offered by such Bidder and Manufacturer shall not be considered for the bid evaluation.

16.3.2 The Bidder shall not be a competitor (including all the service providers licensed by Nepal Telecommunication Authority) of Nepal Telecom in Nepal. The bidder shall not have ownership with the competitors and must not have planned to have ownership until the completion of all the contractual obligations. The Bidder shall provide the declaration of not having ownership along with the Bid.

16.3.3 Bidder found to be involved in fraudulent activity such as carteling in order to manipulate the bid price, submission of fake certificates and fake information may be blacklisted and Bid submitted shall be rejected.

16.4 If the Bidder submits bid on behalf of a merged company, legal document regarding the merging shall be submitted along with the bid document. The merged company shall meet the requirement of Clause No. 16.1 and 16.3. However, the experience and field provenness of separate companies in such cases will be combined for the purpose of verifying the Bidder's experinec and equipment field proven-ness criteria as mentioned in Clause No. 16.2 of this section. Bid submitted on behalf of amalgamated/acquired companies having independent legal status will be treated separately and shall meet the all the requirements mentioned in Clause No. 16.1, 16.2 and 16.3 of this section individually.

16.5 If the Bidder is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfillment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. A bidder can submit only one bid either as a partner of the joint venture, consortium or association or individually. The Joint Venture or consortium or association agreement among all the members shall be submitted. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

In case of joint venture, consortium or association, each member shall meet all the requirements as mentioned above in Clause No. 16.1, 16.2 and 16.3 of this section. Joint venture, consortium or association has to submit bid security issued in the name of all the partners of such a joint venture, consortium or association.

16.6 In case Bidder is global company (Parent/Holding/Branch/Subsidiary Company), the bidder shall individually meet all the requirements as mentioned above in the clause 16.1, 16.2 and 16.3 of this section.

However, the experience and equipment field proven-ness of the Bidder (branch/subsidiary company) and experience and equipment field proven-ness of Bidder's Parent/Holding companies will also be combined for the purpose of verifying the criteria as mentioned in Clause No. 16.2 of this section, provided the bidder (Branch and Subsidiary), Parent and Holding companies

individually meet the requirements of Clause No. 16.1 and 16.3. In such a case the Bid must be fully supported by the Head Quarter (Parent/Holding Company). A letter from the Head Quarter (Parent/Holding Company) shall be submitted along with the bid stating the following:

- a) full guarantee and warranty for the product
- b) Authorization to the branch/subsidiary whose product is being offered to submit and sign the bid
- c) Head Quarter (Parent/Holding Company) shall be equally responsible to fulfil all the obligations under the Contract to execute the Contract successfully
- d) Company Structure showing the relationship between Parent/Holding/Branch/Subsidiary Companies

16.7 Manufacturer Authorization

This clause is not applicable for this tender as the Bidder itself shall be a manufacturer.

In pursuant to clause no. 16.1, the Bidder offering the goods from the third party manufacturers shall submit Manufacturer's Authorization Letter for the offered goods as specified in Section VIII, Chapter 1(as per Section V: Sample Form No. - 3 "**Manufacturers Authorization Letter**" enclosed in the bid document) from the manufacturer of offered goods.

If the bidder itself claims to be the manufacturer of the offered goods, such bidder shall provide the proof of being the manufacturer and need not provide the authorization for the offered goods it manufactures.

If the bidder is not the manufacturer of the offered goods, non-submission of Manufacturer's Authorization Letter(s) from the Manufacturer(s) shall result in rejection of the bid.

16.8 Conflict of Interest

A bidder shall not have a conflict of interest. All Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to be in a conflict of interest with one or more parties in this bidding process if, including but not limited to:

- (a) have controlling shareholders in common;
- (b) receive or have received any direct or indirect subsidy from any of them;
- (c) have the same legal representative for purposes of this Bid;
- (d) have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Purchaser regarding this bidding process;
- (e) a bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the goods and services that are the subject of the bid.

Any bid not submitted as per the above sub-clauses of Clause No. – 16 of this section shall be rejected.

17 Bid Evaluation and Award Criteria

- 17.1. In case a bidder offers one or more alternate or optional offer(s) in addition to the main offer, the Nepal Telecom will consider only the main offer for evaluation purpose, and under no circumstances, evaluation will be influenced by anything mentioned in alternate or optional offer(s).

However, based on cost-benefit and/ or technical analysis, Nepal Telecom, if deemed necessary, may consider alternate or optional offer(s) during signing of contract with the successful bidder.

17.2 Preliminary Examination

- 17.2.1 Preliminary Examination of the Bids shall be done in accordance with Clause No. 5.1 of Section III: ITB. Nepal Telecom will examine the bids to verify whether the bid is valid and complete, whether the bid is accompanied by valid bid securities, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
- 17.2.2 Nepal Telecom may waive any minor informality, nonconformity, or irregularity in a bid, which does not constitute a major material and quality deviation and **without which the purpose of bidding will be fulfilled**, provided such waiver does not prejudice or affect the relative ranking of any bidder but bids with any deviations to the clauses marked with asterisk (*) shall be considered as major deviations and the bid with such major deviations shall be rejected.
- 17.2.3 Prior to the detailed evaluation, Nepal Telecom will determine the substantial responsiveness of each bid to certain critical provisions stipulated in the Nepal Telecom tender document. For the purpose of this clause, a substantially responsive bid is the one, which conforms to all the terms and conditions of the bidding documents without major material deviations. Deviations from, or objections or reservations to critical provisions, such as those concerning **Bid Security, Payment Terms, Applicable Law and Taxes and Duties and the technical requirements marked with asterisk (*)** will be deemed to be major deviations as mentioned in Clause No. – e of Part – D of Section II: INB.
- Nepal Telecom's determination of a bid's responsiveness will be based on the contents of the bid itself without recourse to any extrinsic evidence.
- 17.2.4 If a bid has one or more major deviations, it will be rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.

17.3 Detailed Technical Evaluation

- 17.3.1 Detailed Technical evaluation shall be carried out for those bids, which are found to be responsive after preliminary examination as per above clause 17.2. Detailed Technical evaluation shall be based on clause by clause compliance statements or comments on Technical Specifications as well as technical details, catalogues, brochures etc. furnished by each bidder.
- 17.3.2 If a bid has one or more major deviations, it will be rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.
- 17.3.3 Further, if there are many minor deviations to the bid, and if one or more of such items constitute major material deviation or affect the required purpose of module/sub module, such bid shall be rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.

17.4 Detail Commercial Evaluation

- 17.4.1 Detailed Commercial Evaluation shall be carried out for those bids, which are found to be responsive after Detail Technical Evaluation as per above clause 17.3. The detail commercial evaluation shall be carried out in accordance with the Section IV: COC.

17.5 Detail Financial Evaluation

- 17.5.1 Once the bids are considered substantially responsive after detailed Technical and Commercial evaluation, all those responsive bids shall be judged from Financial Evaluation and Proof of Concept (POC) Test perspective only and no weight-age shall be given to other technical details or parameters or additional features and facilities of the offered products.
- 17.5.2 For the Financial Evaluation the following factors shall be taken into consideration for evaluation purpose:

17.5.2.1 Arithmetical errors

Arithmetical errors will be rectified on the following basis:

17.5.2.1.1 Discrepancy between the Unit Price and the Total Price

If there is a discrepancy between the unit price and the total price which is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price will be corrected.

17.5.2.1.2 Error in Calculation Total Price

If there is an error in total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.

17.5.2.1.3 If there is a discrepancy between words and figures, the amount in words will prevail.

17.5.2.1.4 While performing error corrections as mentioned above in Clause No. 17.5.2.1, the Quoted Bid Price may change. Therefore, the Total Bid Price obtained after the Arithmetical Error Correction shall be considered as a Corrected Bid price.

17.5.2.2 Offered Quantity

If the offered quantity/items are not sufficient to meet the Nepal Telecom's requirement and if some of the quantity/items are omitted, but they don't constitute material deviation as per clause 17.3.2 and 17.3.3, such quantity/items will be added as per the following sub clauses to fulfill the requirement.

17.5.2.2.1 Under-Dimensioned (Short) Items

If the offered quantity is not sufficient to meet the Nepal Telecom's requirement, required quantity will be loaded to fulfill the requirement and price will be adjusted accordingly taking into consideration the offered unit price of the same bidder.

17.5.2.2.2 Missing (Omission) Items

If some required items of **SOP** and **BOQ** are missing in the offer, then the **average price of all responsive bidders for such missing item(s)** will be considered for evaluation purpose and loaded to bring all bidders in equal footing.

17.5.2.2.3 Absence of Unit Price and Total Price of the Particular Item

If the unit price and the total price of the same item are not quoted, the average price of **all responsive bidders for such missing item(s)** will be considered for evaluation purpose and loaded to bring all bidders in equal footing.

However, in all the cases mentioned above in Clause No. 17.5.2.2, the Bidder shall provide all the missing/short items mentioned above free of cost to Nepal Telecom if the bidder happens to be a successful bidder.

17.5.2.2.4 ***If major items, without which the purpose of bidding will not be fulfilled, are missing, the bid shall be considered non-responsive and shall be rejected.***

17.5.2.3 Delivery Period

If the offered delivery period is more than the period specified in clause no. 5.1 of *Section IV: Conditions of Contract*, the price adjustment will be made by loading the bid price by one half (0.5%) percent of the total quoted price per week for the delayed period up to four (4) weeks. **Price Loading shall be done only for the purpose of evaluation. Bids with deviation in delivery period by more than four (4) weeks will be rejected.**

17.5.2.4 Deviations that do not materially alter or depart from the characteristics, terms, conditions and other requirement set forth in the Bidding Document or if it contains errors or oversights that are capable of being corrected without affecting the substance of the Bid

are considered as minor deviation. The cost of such minor deviation shall be calculated to the extent possible and shall be included while evaluating bid.

17.5.2.5 Unit Price

17.5.2.5.1 Discrepancy in Unit Price in Lots and Phases

Unit Prices of the offered goods, services and inland transportation in all lots shall be same. In case of discrepancies in the Unit prices, the quoted unit price in respective lots shall be used for evaluation. However, lowest Unit Price among all shall be considered for all lots for the calculation and preparation of final Contract Price if the bidder happens to be the Successful Bidder.

17.5.2.5.2 Unit Price of Missing Items

In case of missing (omission) items (Clause No. 17.5.2.2.2) and missing unit and total price (Clause No. 17.5.2.2.3), unit price of such items shall be finalized at the time of signing of Contract without exceeding the average price of the same item of the responsive bidders .

17.5.2.6 If the Bidder does not accept the correction of the errors, its bid will be rejected, and its bid security shall be forfeited. Nepal Telecom reserves the rights to award the tender to the next lowest bidder or may go for re-tender whichever is convenient.

17.5.2.7 If the loading amount after performing the loading as per Clauses 17.5.2.2, 17.5.2.3 and 17.5.2.4 of this Section exceed 15% of the Corrected Bid Price, the bid shall be considered as non responsive and not considered for evaluation.

17.5.2.8 Financial comparison shall be done based on evaluated price obtained after Financial Evaluation. For the financial comparison purpose all evaluated price quoted in foreign currencies shall be converted into Nepalese currency by applying conversion rate of bid opening date. The evaluated prices shall be calculated considering all the required custom and duties as per clause no. 6 of Section III: ITB.

17.6 Clarification of Bids

To assist in the examination, evaluation and comparison of Bids, Nepal Telecom may ask the Bidder for a clarification/*Additional Information/Proof of Authenticity of the submitted document*. The request for clarification and the response to it shall be in writing, and no change in the prices and substance of the Bid shall be sought, offered, or permitted.

If the Bidder fails to submit the requested clarification/Additional Information/Proof of Authenticity of the submitted document within a stipulated time, the clause for which the request is sought is considered to be non compliant.

17.7 Proof of Concept (POC) Test

Based on evaluation as per above clause Nos. – 17.1, 17.2, 17.3, 17.4. 17.5 and 17.6 Nepal Telecom shall issue invitation letter for the POC test to the lowest evaluated Bidder among all responsive bids for the POC test. The lowest Evaluated Bidder shall complete the POC Test successfully as per the procedure mentioned in Section VIII: Technical Specification.

In case of the unsuccessful POC Test with lowest evaluated Bidder, Nepal Telecom shall start POC Test starting from the second lowest evaluated Bidder L-II and continue POC Test with other responsive bidders.

Any bid which fails in POC testing, shall be considered as non responsive bid and shall be rejected.

17.8 Contract Award

- 17.8.1 Based on the evaluation as per the Clauses No. 17.2, 17.3, 17.4, 17.5, 17.6 and 17.7 starting from the lowest evaluated bid, the responsive bid that completes the POC Test successfully first will be selected as the successful Bid.
- 17.8.2 A financial evaluation shall be done as per Clause No. – 17.5, total evaluated price may differ from the price quoted by the bidder in its price schedule. Financial comparison shall be based on **“Evaluated Price”** and not **“Offered Price”**. However, the final total contract price shall be finalized at the time of signing of Contract with the successful bidder without exceeding the Corrected Bid Price.
- 17.8.3 The Nepal Telecom shall issue a **Letter of Intent (LOI)** to notify the concerned Bidders whose bid has been selected in accordance with ITB 17.8.1, in writing that the Nepal Telecom has intention to accept his/her bid and the information regarding the name, address and amount of selected bidder shall be given to all other bidders who submitted the bid.
- 17.8.4 If no bidder submits an application for review within a period of seven (7) days of the notice provided under ITB 17.8.3, Nepal Telecom shall, accept the bids selected in accordance with ITB 17.8.1 and will subsequently issue a **Letter of Acceptance (LOA)** to furnish the performance security and to sign the contract between the bidder and the Nepal Telecom.
- 17.8.5 Within Fifteen (15) days of the receipt of notification of award from Nepal Telecom, the successful Bidder shall send it's authorized representative (including consortium member's representatives if applicable) for signing the contract. At the time of signing the contract, bidder shall furnish the performance security in accordance with the conditions of Contract using Sample Form as per Sample Form No. – 4 of Section V of tender document. Failure of the successful Bidder to submit the above-mentioned Performance Security or to sign the Contract Agreement within the period stipulated above in this clause shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security. In that event Nepal Telecom may award the Contract to the next lowest evaluated Bidder whose offer is substantially responsive. The process shall be repeated according to ITB 17.8.3.

18 Nepal Telecom's Right to accept or reject any or all Bids

Notwithstanding Clause No.– 17, the Nepal Telecom reserves the right to accept or reject partially or fully any bid, or award one or more than one bidders not exceeding the price of the Successful Bidder and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Nepal Telecom's action.

19 Nepal Telecom's Right to vary Quantities

The Nepal Telecom reserves the right at the time of award of contract to increase or decrease by up to twenty percent (20%) of the quantity of goods and services specified in the Schedule of Requirement without any change in unit price or other terms and conditions.

20 Signing of Contract

After the receipt of the **Letter of Acceptance (LOA)** from Nepal Telecom, the successful bidder shall send its authorized representatives within fifteen (15) days for signing the contract. At the time of signing the contract, the Supplier shall submit a Performance Security in the form of bank guarantee for ten percent (10%) of the amount of the contract in the same currency as that of the contract or equivalent in US\$.

Non-submission of performance security at the time of signing the contract may lead to the cancellation of the contract.

21 Local Agent

- 21.1 A foreign Bidder wishing to have or already having a local agent should state the following:
- (i) Name and address of the Agent/Representative,
 - (ii) The Agent/Representative providing type of services,
 - (iii) Amount of commission if the Agent/ Representative is entitled to get such payment and if he/she participate in the procedure of payment,
 - (iv) Other agreement with Agent/Representative, if any,
 - (v) Bidder should certify in the Letter of Authorization as follows:
"We certify that the statement and disclosure made by us on the above are complete and true to the best of our knowledge and belief"

If the agent has not been appointed:

- (i) Source of information about tender invitation,
 - (ii) The remuneration given to the individual or firm/company or organization to work on his behalf for submitting tender, representation in the bid opening and other required action in connection with the tender,
 - (iii) Transfer or handover an evidence of foreign currency exchanged which required to be submitted with the tender,
 - (iv) If the bank account of any Nepali citizen has been used for the exchange of foreign currency specify the name of the individual and his address. If the foreign currency has been exchanged by self then the certificate of currency exchange
- 21.2 If a foreign Bidder in his Bid, has not provided the information mentioned in Sub Clause 21.1 or has submitted his bid stating that the Bidder does not have a local agent and later it is proved that the bidder has a local agent or it is proved that the commission mentioned in the Bid is less than the commission received by the local agent then the Purchaser shall initiate proceedings to black list such bidder.

22 Visit for proof of compliance (PoC) during evaluation

Nepal Telecom may send technical experts to verify the bidder's claim of compliance to experience and technical specifications.

This may be performed during the Bid evaluation of the tendering process. The supplier shall make Necessary arrangement with the administration to accommodate such visit and provide necessary information and access for evaluation. The bidder shall make arrangements within fifteen (15) days of request letter from Nepal Telecom.

Nepal Telecom shall choose a large network / any other suitable sites as per the client certificates. Nepal Telecom shall conduct tests based on offered bid and Nepal Telecom's technical specifications.

Nepal Telecom may also visit manufacturer's premises during evaluation.

The cost of the visits shall be borne by Nepal Telecom and the duration shall be of two week. The bidder shall arrange with the operator (bidder's customer) for the tests and other demonstrations as needed and the bidder shall arrange for any test equipments required and experts to advice and assist in the tests.

23 One Bid per Bidder

Each Bidder shall submit only one bid. A bidder who submits more than one bid under this tender shall cause all the proposals of the Bidder's participation to be disqualified.

The bidder who submits bids in hard copy (manual submission) as well as through e-submission shall be treated as two separate bids by the same bidder and hence will be disqualified. However, the bidder who has submitted the bid electronically may submit the hardcopy before the bid

submission dead line, only if they submit the valid official letter requesting the withdrawal of the e-submitted bid proposal along with the bid.
