16.3 Bidder's and Manufacturer's Eligibility

16.3.1 The Bidder and Manufacturer shall not be under a declaration of ineligibility for corrupt and fraudulent practices issued by Government of Nepal. The Bidder and Manufacturer who are black listed or are under the process of being black listed shall not be eligible to participate this bidding process. The bid offered by such Bidder and Manufacturer shall not be considered for the bid evaluation.

16.3.2 The Bidder and Manufacturer shall not be a competitor (including all the service providers licensed by Nepal Telecommunication Authority) of Nepal Telecom in Nepal. The Bidder and Manufacturer shall not have ownership with the competitors and must not have planned to have ownership until the completion of all the contractual obligations. The Bidder and Manufacturer shall provide the declaration of not having ownership along with the Bid.

16.3.3 Bidder and Manufacturer found to be involved in fraudulent activity such as carteling in order to manipulate the bid price, submission of fake certificates and fake information may be blacklisted and Bid submitted shall be rejected.

16.3.4 Nepalese Bidder shall submit up to date firm/Company registration certificate, Tax clearance certificate, and VAT Registration Certificate from Government of Nepal along with Bid proposal.

16.4 If the Bidder submits bid on behalf of a merged company, legal document regarding the merging shall be submitted along with the bid document. The merged company shall meet the requirement of Clause No. 16.1, 16.2 and 16.3. However, the qualification and field proven-ness of separate companies in such cases will be combined for the purpose of verifying the Bidder's experience criteria as mentioned in Clause No. 16.2 of this section. Bid submitted on behalf of amalgamated/acquired companies having independent legal status will be treated separately and shall meet all the requirements mentioned in Clause No. 16.1, 16.2 and 16.3 of this section individually.

16.5 If the Bidder is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfillment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. A bidder can submit only one bid either as a partner of the joint venture or individually. The Joint Venture or consortium or association agreement among all the members shall be submitted. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

In case of joint venture, consortium or association, at least one member shall meet all the requirements as mentioned above in Clause No. 16.1, 16.2 and 16.3 of this section and remaining members shall meet at least the requirement of clause 16.3. Joint venture, consortium or association has to submit bid security issued in the name of all the partners of such a joint venture, consortium or association. **(If applicable)**

- 16.6 In case Bidder is global company (Parent/Holding/Branch/Subsidiary Company), the bidder shall individually meet all the requirements as mentioned above in the clause 16.1, 16.2 and 16.3 of this section.

However, the qualification and equipment field proven-ness of the Bidder (branch/subsidiary company) and qualification and equipment field proven-ness of Bidder's Parent/Holding companies and their equipment will also be combined for the purpose of verifying the criteria as mentioned in Clause No. 16.2 of this section, provided the bidder (Branch and Subsidiary), Parent and Holding companies individually meet the requirements of Clause No. 16.3. In such a case the Bid must be fully supported by the Head Quarter (Parent/Holding Company). A letter from the Head Quarter (Parent/Holding Company) shall be submitted along with the bid stating the following:

- (a) full guarantee and warranty for the product
- (b) Authorization to the branch/subsidiary whose product is being offered to submit and sign the bid
- (c) Head Quarter (Parent/Holding Company) shall be equally responsible to fulfil all the obligations under the Contract to execute the Contract successfully
- (d) Company Structure showing the relationship between Parent/Holding/Branch/Subsidiary Companies

16.7 Manufacturer Authorization

In pursuant to clause no. 16.1, the Bidder offering the goods from the third party manufacturers shall submit Manufacturer's Authorization Letter for the offered goods (as per Section V: Sample Form No. - 3 "**Manufacturers Authorization Letter**" enclosed in the bid document) from the manufacturer of offered goods.

If the bidder itself claims to be the manufacturer of the offered goods, such bidder shall provide the proof of being the manufacturer and need not provide the authorization for the offered goods it manufactures.

If the bidder is not the manufacturer of the offered goods, non-submission of Manufacturer's Authorization Letter(s) from the Manufacturer(s) shall result in rejection of the bid.

16.8 Conflict of Interest

A Bidder shall not have a conflict of interest. All Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to be in a conflict of interest with one or more parties in this bidding process if, including but not limited to:

- (a) have controlling shareholders in common;
- (b) receive or have received any direct or indirect subsidy from any of them;
- (c) have the same legal representative for purposes of this Bid;
- (d) have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Purchaser regarding this bidding process;
- (e) a bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the goods and services that are the subject of the bid.

16.9 Any bid not submitted as per the above sub-clauses of Clause No. – 16 of this section shall be rejected.

- 16.10 Please refer to Clause No. 29 for details regarding the user/client certificates. The Bidder shall seal and sign the entire submitted client/user certificate.

17 Bid Evaluation and Award Criteria

- 17.1 In case a bidder offers one or more alternate or optional offer(s) in addition to the main offer, the Nepal Telecom will consider only the main offer for evaluation purpose, and under no circumstances, evaluation will be influenced by anything mentioned in alternate or optional offer(s).

However, based on cost-benefit and/ or technical analysis, Nepal Telecom, if deemed necessary, may consider alternate or optional offer(s) during signing of contract with the successful bidder.

17.2 Preliminary Examination

- 17.2.1 Preliminary Examination of the Bids shall be done in accordance with Clause No. 5.1 of Section III: ITB. Nepal Telecom will examine the bids to verify whether the bid is valid and complete, whether the bid is accompanied by valid bid securities, whether required sureties have been furnished, whether the documents have been properly signed and whether the bids are generally in order.
- 17.2.2 Nepal Telecom may waive any minor informality, nonconformity, or irregularity in a bid, which does not constitute a major material and quality deviation and without which the purpose of bidding will be fulfilled, provided such waiver does not prejudice or affect the relative ranking of any bidder but bids with **any deviations to the clauses marked with asterisk (*) shall be considered as major deviations and the bid with such major deviations shall be rejected.**
- 17.2.3 Prior to the detailed examination, Nepal Telecom will determine the substantial responsiveness of each bid to certain critical provisions stipulated in the Nepal Telecom tender document. For the purpose of this clause, a substantially responsive bid is the one, which conforms to all the terms and conditions of the bidding documents without major material deviations. Deviations from, or objections or reservations to critical provisions, such as those concerning **Bid Security, Payment Terms, Applicable Law and Taxes and Duties and the technical requirements marked with asterisk (*)** will be deemed to be major deviations as mentioned in Clause No. – e of Part – D of Section II: INB.
- 17.2.4 Nepal Telecom's determination of a bid's responsiveness will be based on the contents of the bid itself without recourse to any extrinsic evidence.
- 17.2.5 If a bid has one or more major deviations found during preliminary examination, the bid is considered as Non-responsive bid and it will be rejected by Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.

17.3 Detailed Technical Evaluation

- 17.3.1 Detailed Technical evaluation shall be carried out for those bids, which are found to be responsive after preliminary examination as per above clause 17.2. Detailed Technical evaluation shall be based on clause by clause compliance statements or comments on Technical Specifications as well as technical details, catalogues, brochures etc. furnished by each bidder.
- 17.3.2 If a bid has one or more major deviations, the bid is considered as Non Responsive Bid and it will be rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.
- 17.3.3 Further, if there are many minor deviations to the bid, and if one or more of such items constitute major material deviation or affect the required purpose of module/sub module, such bid shall be

considered as Non Responsive Bid and shall be rejected by Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.

- 17.3.4 **For the verification of Bidder's Compliance Statement (FC/PC/NC), ONLY THE COMPLIANCE STATEMENTS mentioned in the Original Tender Document purchased from Nepal Telecom, Amendments and Clarification issued by Nepal Telecom shall be used (Please also refer to Clause No. 9 of Section III).**

17.4 Detail Commercial Evaluation

- 17.4.1 Detailed Commercial Evaluation shall be carried out for those bids which are found to be responsive after Detail Technical Evaluation as per above clause 17.3. The detail commercial evaluation shall be carried out in accordance with the Section IV: Conditions of Contract (COC).
- 17.4.2 If a bid has one or more major deviations, the bid is considered as Non Responsive Bid and it will be rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.
- 17.4.3 Further, if there are many minor deviations to the bid, and if one or more of such items constitute major material deviation or affect the required purpose of module/sub module, such bid shall be considered as Non Responsive Bid and rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.
- 17.4.4 **For the verification of Bidder's Compliance Statement (FC/PC/NC), ONLY THE COMPLIANCE STATEMENTS mentioned in the Original Tender Document purchased from Nepal Telecom, Amendments and Clarification issued by Nepal Telecom shall be used (Please refer to Clause No. 9 of Section III).**

17.5 Detail Financial Evaluation

- 17.5.1 Once the bids are considered substantially responsive after detailed Technical and Commercial evaluation, all those responsive bids shall be judged from Financial Evaluation and no weight-age shall be given to other technical details or parameters or additional features and facilities of the offered products.
- 17.5.2 For the Financial Evaluation the following factors shall be taken into consideration for evaluation purpose:

17.5.2.1 Arithmetical errors

Arithmetical errors will be rectified on the following basis:

17.5.2.1.1 Discrepancy between the Unit Price and the Total Price

If there is a discrepancy between the unit price and the total price which is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price will be corrected.

17.5.2.1.2 Error in Calculation Total Price

If there is an error in total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.

- 17.5.2.1.3 If there is a discrepancy between words and figures, the amount in words will prevail.

- 17.5.2.1.4 Extended Warranty (Not Applicable for this tender)**
The Bidder shall quote for the extended warranty at least 3% of the total cost of Goods per annum.
- If the Bidder quotes less than the specified percentages, the amount of Extended Warranty shall be increased so as to meet the tender requirement by reducing the unit price of the Goods proportionately.
- 17.5.2.1.5** While performing error corrections as mentioned above in Clause No. 17.5.2.1, the Quoted Bid Price may be changed. Therefore, the Total Bid Price obtained after the Arithmetical Error Correction shall be considered as a Corrected Bid price.
- 17.5.2.2 Offered Quantity**
If the offered quantity/items are not sufficient to meet the Nepal Telecom's requirement and if some of the quantity/items are omitted, but they don't constitute material deviation as per clause 17.3.2 and 17.3.3, such quantity/items will be added as per the following sub-clauses to fulfill the requirement.
- 17.5.2.2.1 Under-Dimensioned (Short) Items**
If the offered quantity is not sufficient to meet the Nepal Telecom's requirement, required quantity will be loaded to fulfill the requirement and price will be adjusted accordingly taking into consideration the offered unit price of the same bidder.
- 17.5.2.2.2 Missing (Omission) Items**
If some required items of SOP and BOQ are missing in the offer, then the average price of all responsive bidders for such missing item(s) will be considered for evaluation purpose and loaded to bring all bidders in equal footing.
- 17.5.2.2.3 Absence of Unit Price and Total Price of the Particular Item**
If the unit price and the total price of the same item are not quoted, the average price of all responsive bidders for such missing item(s) will be considered for evaluation purpose and loaded to bring all bidders in equal footing.
- However, in all the cases mentioned above in Clause No. 17.5.2.2, the Bidder shall provide all the missing/short items mentioned above free of cost to Nepal Telecom if the bidder happens to be a successful bidder.
- 17.5.2.2.4 *If major items, without which the purpose of bidding will not be fulfilled, are missing, the bid shall be considered non-responsive and shall be rejected.***
- 17.5.2.3 Delivery Period**
If the offered delivery period is more than the period specified in clause no. 5.1 of *Section IV: Conditions of Contract (COC)*, the price adjustment will be made by loading the bid price by one half (0.5%) percent of the total quoted price per week for the delayed period up to four (4) weeks. **Price loading shall be done only for the purpose of evaluation. Bids with deviation in delivery period by more than four (4) weeks will be rejected.**
- 17.5.2.4** Deviations that do not materially alter or depart from the characteristics, terms, conditions and other requirement set forth in the Bidding Document or if it contains errors or oversights that are capable of being corrected without affecting the substance of the Bid are considered as minor deviation. The cost of such minor deviation shall be calculated to the extent possible and shall be included while evaluating bid.

17.5.2.5 Unit Price

17.5.2.5.1 Discrepancy in Unit Price in Lots and Phases

Unit Prices of the offered goods, services and inland transportation in all lots shall be same. In case of discrepancies in the Unit prices, the quoted unit price in respective lots shall be used for evaluation. However, lowest Unit Price among all shall be considered for all lots for the calculation and preparation of final Contract Price if the bidder happens to be the Successful Bidder.

17.5.2.5.2 Unit Price of Missing Items

In case of missing (omission) items (Clause No. 17.5.2.2.2) and missing unit and total price (Clause No. 17.5.2.2.3), unit price of such items shall be finalized at the time of signing of contract without exceeding the average price of the same item of the responsive bidders.

17.5.2.6 If the Bidder does not accept the correction of the errors, its bid will be rejected, and its bid security shall be forfeited. Nepal Telecom reserves the rights to award the tender to the next lowest bidder or may go for re-tender whichever is convenient.

17.5.2.7 If the loading amount after performing the loading as per Clauses 17.5.2.2, 17.5.2.3 and 17.5.2.4 of this Section exceed 15% of the Corrected Bid Price, the bid shall be considered as non responsive and not considered for evaluation.

17.5.2.8 Financial comparison shall be done based on evaluated price obtained after Financial Evaluation. For the financial comparison purpose the all evaluated price quoted in foreign currencies shall be converted into Nepalese currency by applying conversion rate of bid opening date.

17.6 Clarification of Bids

To assist in the examination, evaluation and comparison of Bids, Nepal Telecom may ask the Bidder for a clarification/*Additional Information/Proof of Authenticity of the submitted document*. The request for clarification and the response to it shall be in writing, and no change in the prices and substance of the Bid shall be sought, offered, or permitted.

If the Bidder fails to submit the requested clarification/Additional Information/Proof of Authenticity of the submitted document within a stipulated time, the clause for which the request is sought is considered to be non compliant.
