**17.2 Preliminary Examination**

**17.2.1** Preliminary Examination of the Bids shall be done in accordance with Clause No. 5.1 of Section III: ITB. Nepal Telecom will examine the bids to verify whether the bid is valid & complete, whether the bid is accompanied by valid bid securities, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

**17.2.2** Nepal Telecom may waive any minor informality, nonconformity, or irregularity in a bid, which does not constitute a major material and quality deviation and without which the purpose of bidding will be fulfilled, provided such waiver does not prejudice or affect the relative ranking of any bidder but bids with any deviations to the clauses marked with asterisk (\*) shall be considered as major deviations and the bid with such major deviations shall be rejected.

**17.2.3** Prior to the detailed evaluation, Nepal Telecom will determine the substantial responsiveness of each bid to certain critical provisions stipulated in the Nepal Telecom tender document. For the

purpose of this clause, a substantially responsive bid is the one, which conforms to all the terms and conditions of the bidding documents without major material deviations. Deviations from, or objections or reservations to critical provisions, such as those concerning **Bid Security, Payment Terms, Applicable Law and Taxes and Duties and the technical requirements** marked with asterisk (\*) will be deemed to be major deviations as mentioned in Clause No. – e of Part – D of Section II: INB.

- 17.2.4 Nepal Telecom's determination of a bid's responsiveness will be based on the contents of the bid itself without recourse to any extrinsic evidence.
- 17.2.5 If a bid has one or more major deviations, found during preliminary examination, the bid shall be considered as Non Responsive Bid and shall be rejected by the Nepal Telecom and shall not substantially be made responsive by the bidder by correction of the nonconformity.
- 17.2.6 Further, if there are several minor deviations to the bid, and if such items constitute major deviation or affect the required purpose of the preliminary requirement, such bid shall be considered as Non Responsive Bid and rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.

### 17.3 Detailed Technical Evaluation

- 17.3.1 Detailed Technical evaluation shall be carried out for those bids, which are found to be responsive after preliminary examination as per above clause 17.2. Detailed Technical evaluation shall be based on clause by clause compliance statements or comments on Technical Specifications, technical details, catalogues, brochures etc. furnished by each bidder. During the detailed technical evaluation, all the bids are examined in order to verify whether the offered quantity and capacity meet the requirement of Section VI: SOR and Section VII: SOP of tender document and if required adjustment shall be done and the cost of adjustment shall be determined during the Financial Evaluation.
- 17.3.2 If a bid has one or more major deviations, the bid shall be considered as Non Responsive Bid and shall be rejected by the Nepal Telecom and shall not substantially be made responsive by the bidder by correction of the nonconformity.
- 17.3.3 Further, if there are many minor deviations to the bid, and if one or more of such items constitute major material deviation or affect the required purpose of module/sub module/technical requirement, such bid shall be considered as Non Responsive Bid and shall be rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.
- 17.3.4 For the verification of Bidder's Compliance Statement (FC/PC/NC), ONLY THE COMPLIANCE STATEMENTS mentioned in the Original Tender Document purchased from Nepal Telecom, Amendments and Clarification issued by Nepal Telecom shall be used (Please also refer to Clause No. 9 of Section III).

- 17.4.1 Detailed Commercial Evaluation shall be carried out for those bids, which are found to be responsive after Detail Technical Evaluation as per above clause 17.3. The detail commercial evaluation shall be carried out in accordance with the Section IV: COC.
- 17.4.2 If a bid has one or more major deviations, the bid shall be considered as Non Responsive Bid and shall be rejected by the Nepal Telecom and will not substantially be made responsive by the bidder by correction of the nonconformity.

17.4.3 Further, if there are many minor deviations to the bid, and if one or more of such items constitute major material deviation or affect the required purpose of the commercial requirement, such bid shall be considered as Non Responsive Bid and shall be rejected by the Nepal Telecom and shall not substantially be made responsive by the bidder by correction of the nonconformity.

17.4.4 For the verification of Bidder's Compliance Statement (FC/PC/NC), ONLY THE COMPLIANCE STATEMENTS mentioned in the Original Tender Document purchased from Nepal Telecom, Amendments and Clarification issued by Nepal Telecom shall be used (Please refer to Clause No. 9 of Section III).

#### 17.5 Detail Financial Evaluation

17.5.1 Once the bids are considered substantially responsive after detailed Technical and Commercial evaluation, all those responsive bids shall be judged from Financial Evaluation perspective only and no weight-age shall be given to other technical details or parameters or additional features and facilities of the offered products.

17.5.2 For the Financial Evaluation the following factors shall be taken into consideration for evaluation purpose:

##### 17.5.2.1 Arithmetical errors

**Arithmetical errors** will be rectified on the following basis:

##### 17.5.2.1.1 Discrepancy between the Unit Price and the Total Price

If there is a discrepancy between the unit price and the total price which is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price will be corrected.

##### 17.5.2.1.2 Error in Calculation Total Price

If there is an error in total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.

17.5.2.1.3 If there is discrepancy between words and figure, the amount in word shall prevail.

##### 17.5.2.1.4 Extended Warranty

The Bidder shall quote for the extended warranty at least 5% of the total cost of Goods per annum.

If the Bidder quotes less than the specified percentages, the amount of Extended Warranty shall be increased so as to meet the tender requirement by reducing the unit price of the Goods proportionately.

17.5.2.1.5 While performing error corrections as mentioned above in Clause No. 17.5.2.1, the Quoted Bid Price may be changed. Therefore, the Total Bid Price obtained after the Arithmetical Error Correction shall be considered as a **Corrected Bid price**.

#### 17.5.2.2 Offered Quantity

##### 17.5.2.2.1 Under Dimensioned (Short) Items

If the offered quantity is not sufficient to meet the Nepal Telecom's requirement, required quantity will be loaded to fulfill the requirement and price will be adjusted accordingly taking into consideration the offered unit price of the same bidder.

##### 17.5.2.2.2 Missing (omission) Items

If some required items **of SOP and BOQ** are missing in the offer, then the ***average price of all responsive bidders for such missing item(s)*** will be considered for evaluation purpose and loaded to bring all bidders in equal footing.

**17.5.2.2.3 Absence of Unit Price and Total Price of the Particular Item**

If the unit price and the total price of the same item are not quoted, the average price of ***all responsive bidders for such missing item(s)*** will be considered for evaluation purpose and loaded to bring all bidders in equal footing.

However, in all the cases of above mentioned Clause No. 17.5.2.2, the Bidder shall provide all the missing/short items mentioned above free of cost to Nepal Telecom if the bidder happens to be a successful bidder.

**17.5.2.2.4 If major items, without which the purpose of bidding will not be fulfilled, are missing, the bid shall be considered non-responsive and shall be rejected.**

**17.5.2.3 Delivery Period(Not Applicable)**

If the offered delivery period is more than the period specified in clause No. – 5.1 of *Section IV: Conditions of Contract*, the price adjustment will be made by loading the bid price by one half (0.5%) percent of the total quoted price per week for the delayed period up to four (4) weeks. **Bids with deviation in delivery period by more than four (4) weeks will be rejected.**

17.5.2.4 Deviations that do not materially alter or depart from the characteristics, terms, conditions and other requirement set forth in the Bidding Document or if it contains errors or oversights that are capable of being corrected without affecting the substance of the Bid are considered as minor deviation. The cost of such minor deviation shall be calculated to the extent possible and shall be included while evaluating bid.

**17.5.2.5 Unit Price**

**17.5.2.5.1. Discrepancy in Unit Price in Lots and Phase**

Unit Prices of the offered goods, services and inland transportation in Lots shall be same. In case of discrepancies in the Unit prices, the quoted unit price shall be used for evaluation purpose. However, ***lowest Unit Price*** among all shall be considered for all lots for the calculation and preparation of final Contract Price if the bidder happens to be the Successful Bidder.

**17.5.2.5.2. Unit Price of Missing Items**

In case of missing (omission) items (Clause No. 17.5.2.2.2) and missing unit and total price (Clause No. 17.5.2.2.3), unit price of such items shall be finalized at the time of signing of contract without exceeding the average price of the same item of the responsive bidders.

17.5.2.6 If the Bidder does not accept the correction of the errors, its bid will be rejected, and its bid security shall be forfeited. The Nepal Telecom reserves the rights to award the tender to the next lowest bidder or may go for re-tender whichever is convenient.

17.5.2.7 If the loading amount after performing the loading as per Clauses 17.5.2.2, 17.5.2.3 and 17.5.2.4 of this Section exceed 15% of the Corrected Bid Price, the bid shall be considered as non responsive and not considered for evaluation.

**17.5.2.8** Financial comparison shall be based on Evaluated Price obtained after Financial Evaluation. The evaluated price shall be inclusive of Custom. For the financial purpose, all the evaluated prices quoted shall be converted into United States Dollar by applying conversion rate of bid opening date.

**17.6 Clarification of Bids**

To assist in the examination, evaluation and comparison of Bids, Nepal Telecom may ask the Bidder for a clarification/*Additional Information/Proof of Authenticity of the submitted document*. The request for clarification and the response to it shall be in writing, and no change in the prices and substance of the Bid shall be sought, offered, or permitted.

**If the Bidder fails to submit the requested clarification/Additional Information/Proof of Authenticity of the submitted document within a stipulated time, the clause for which the request is sought is considered to be non compliant.**

#### **17.7 Contract Award**

- 17.7.1. Based on the evaluation as per the Clauses No. 17.2, 17.3, 17.4, 17.5 and 17.6 the lowest evaluated Bidder will be selected as the successful Bid.
- 17.7.2. As financial evaluation shall be done as per Clause No. – 17.5, total evaluated price may differ from the price quoted by the bidder in its price schedule. Financial comparison shall be based on **“Evaluated Price”** and not **“Offered Price”**. However, the final total contract price shall be finalized at the time of signing of contract with the successful bidder without exceeding Corrected/ Bid Price.
- 17.7.3. The Nepal Telecom shall issue a **Letter of Intent (LOI)** to notify the concerned Bidders whose bid has been selected in accordance with ITB 17.7.1, in writing that the Nepal Telecom has intention to accept his/her bid and the information regarding the name, address and amount of selected bidder shall be given to all other bidders who submitted the bid.
- 17.7.4. If no bidder submits an application for review as per the Clause No. 31 of this section within a period of seven (7) days of the notice provided under ITB 17.7.3, Nepal Telecom shall, accept the bids selected in accordance with ITB 17.7.1 and will subsequently issue a **Letter of Acceptance (LOA)** to furnish the performance security at the time of signing of contract between the bidder and the Nepal Telecom.
- 17.7.5. Within Fifteen (15) days of the receipt of notification of award from Nepal Telecom, the successful Bidder shall send its authorized representative (including consortium member's representatives) for signing the contract, bidder shall furnish the performance security in accordance with the conditions of Contract using Sample Form as per Sample Form No. – 4 of Section V of tender document. Failure of the successful Bidder to submit the above-mentioned Performance Security or to sign the Contract Agreement within the period stipulated in this clause shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security. In that event Nepal Telecom may award the Contract to the next lowest evaluated Bidder whose offer is substantially responsive. The process shall be repeated according to ITB 17.7.3.

#### **18 Nepal Telecom's Right to accept or reject any or all Bids**

Notwithstanding Clause No. – 17, the Nepal Telecom reserves the right to accept or reject partially or fully any bid or award one or more than one Bidders not exceeding the price of the successful bidder, and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Nepal Telecom's action.

#### **19 Nepal Telecom's Right to Vary Quantities**

The Nepal Telecom reserves the right at the time of award of contract to increase or decrease by up to twenty percent (20%) of the quantity of goods and services specified in the Schedule of Requirement without any change in unit price or other terms and conditions.

#### **20 Signing of Contract**

After the receipt of the **Letter of Acceptance** (LOA) from Nepal Telecom, the successful bidder shall send its authorized representatives (including consortium member's representatives) within fifteen (15) days for signing the contract. At the time of signing the contract, the Supplier shall submit a Performance Security in the form of bank guarantee for ten percent (10%) of the amount of the contract in the same currency as that of the contract or equivalent in US\$.

Non-submission of performance security as mentioned above at the time of signing the contract shall lead to the cancellation of the contract.
